00:00-08:00am	£ 115.20	Monday	£ 723.20
08:00-04:00pm	£ 285.72	Tuesday	£ 653.03
04:00-00:00am	£ 181.59	Wednesday	£ 734.19
LAST WEEK		Thursday	£ 786.40
£ 3532.17		Friday	£ 623.20
HOME 13/08/09 17:11		Saturday	£ 345.10
		Sunday	£ 58.72

→ The History page gives you an instant insight into when energy is being used.

## Last 24 Hrs

The 24 hours is split into 3 time zones. Each zone is updated at the end of the period. ie at 8.00am, 4.00pm and ! 2.00am.

## This Week

The total figure then transfers into relevant daily total in the daily column

## Last 7 days

The daily totals are added together and an Energy Consumption cost for the whole week is displayed

**The total is updated at midnight on Sundays**
